PROFESSIONAL EXPERIENCE

Founder

Present

MackSims - Parent Company & Venture Studio | Tampa, FL

- Own end-to-end company building across a multi-venture portfolio: strategic planning, brand positioning, product development, go-to-market strategy, beta launch, and operational accountability.
- Drive business development and partnership-oriented product narratives for consumer and community platforms including MotoCrew, CurbCue, Sermon Studio, CoachCore, and FishCrew.
- Lead cross-functional collaboration across design, engineering, and go-to-market workflows; manage feedback loops, quality standards, and shipping cadence.
- Build growth systems for early-stage products: positioning, user acquisition concepts, partner/community channels, and portfolio prioritization.
- Operate with founder-level ownership of KPIs, roadmap decisions, stakeholder communication, and execution under ambiguity.

Regional Director

January 2015 - Present

Stream (Stream Energy / Stream Home)

- Regional Director responsible for business development, customer acquisition, relationship sales, channel/referral growth, and team leadership across retail energy and home services (electricity, natural gas, mobile, protective/home services).
- Built and sustained a relationship-driven sales engine focused on lead generation, pipeline development, customer acquisition, and long-term account relationships over 10+ years.
- Executed full-cycle consultative selling: prospecting, needs discovery, solution presentation, enrollment/closing, and customer retention follow-up.
- Expanded market presence through territory development, referral networks, partner recruitment, and community-based channel partnerships.
- Recruited, coached, and mentored associates and emerging leaders; drove performance management, accountability, and talent development in a decentralized model.
- Owned personal quota-style production in a performance-based commercial environment with high autonomy, forecasting discipline, and consistent pipeline management.
- Educated residential and business customers on energy solutions and home-service value propositions; strengthened stakeholder trust and brand representation.

United States Air Force

Veteran

Military Service

- U.S. Air Force Veteran with transferable strengths in leadership, operations discipline, mission execution, integrity, adaptability, teamwork, and performance under pressure.
- Experienced translating military leadership into civilian general management, sales leadership, and business operations.

SELECTED VENTURES (MACKSIMS PORTFOLIO)

- MotoCrew: Motorcycle group-ride coordination platform; community operations and safety-first product development
- CurbCue: Ride comparison and demand/pickup-pressure awareness product for smarter consumer decisions
- Sermon Studio: Creator/pastor productivity platform for sermon drafting, series planning, and worship setlists
- CoachCore: Coaching accountability and athlete/coach workflow platform concepts
- FishCrew: Fishing community platform for trip planning, reports, and local business partnerships

TARGET TITLES

General Manager | Regional Director | Regional Sales Director | Director of Business Development | Director of Strategic Partnerships | Director of Partnerships | Director of Operations | Head of Growth | Sales Director | Channel Development Director | Venture Studio Director | Operator-in-Residence
