PROFESSIONAL EXPERIENCE

Founder

Present

MackSims - Parent Company & Venture Studio | Tampa, FL

- Own end-to-end company building across a multi-venture portfolio: strategic planning, brand positioning, product development, GTM, beta launch, and operational accountability.
- Drive business development, community outreach, and partnership-oriented narratives for MotoCrew, CurbCue, Sermon Studio, CoachCore, and FishCrew.
- Design community engagement concepts connecting local groups, creators, riders, coaches, and faith communities to useful digital tools.
- Build growth systems via positioning, user acquisition, partner/community channels, grassroots outreach, and portfolio prioritization.

Regional Director

January 2015 - Present

Stream (Stream Energy / Stream Home)

- Regional Director for business development, customer acquisition, community outreach, relationship sales, channel/referral growth, and team leadership across retail energy and home services.
- Built a relationship-driven sales and outreach engine focused on lead generation, pipeline development, customer acquisition, and long-term account relationships over 10+ years.
- Conducted community outreach and grassroots engagement through personal networks, local relationships, and referral ecosystems to expand brand presence.
- Expanded market presence through territory development, community partnerships, partner recruitment, and civic/community-based channel relationships.
- Recruited, coached, and mentored associates/leaders; drove performance management and accountability in a decentralized model.
- Owned quota-style production with forecasting discipline and pipeline management; educated customers on energy/home-service value props and strengthened community reputation.

United States Air Force

Veteran

Military Service

- U.S. Air Force Veteran with transferable strengths in leadership, operations discipline, mission execution, integrity, adaptability, and performance under pressure.
- Experienced translating military leadership into civilian general management, community-facing roles, sales leadership, and business operations.

SELECTED VENTURES (MACKSIMS PORTFOLIO)

- MotoCrew: Rider community platform; community operations, outreach, and safety-first product development
- CurbCue: Ride comparison / demand-awareness product for smarter consumer decisions
- Sermon Studio: Faith-community productivity tools for sermon drafting, series planning, and worship setlists
- CoachCore: Coaching accountability and athlete/coach workflow concepts
- FishCrew: Fishing community platform for trip planning, reports, and local business partnerships
