## PROFESSIONAL SUMMARY

Founder and commercial leader based in Tampa Bay with 10+ years building customer pipelines, partner networks, and market presence in energy and home services, plus hands-on experience launching community-focused digital products. Combines military discipline with entrepreneurial execution. Seeking senior Tampa/Florida or remote roles in GM, business development, partnerships, operations, or growth.

## CORE STRENGTHS

- Leadership & Accountability - team development and ownership of results
- Revenue & Relationship Sales - acquisition, consultative selling, referrals
- Partnerships & Channels - partner recruitment and alliance go-to-market
- Brand & Platform Building - zero-to-one products and portfolio operations
- Operations Mindset - process clarity and execution under ambiguity

## PROFESSIONAL EXPERIENCE

### Founder

Present

*MackSims - Parent Company & Venture Studio | Tampa, FL*

- Founded and operate a Tampa Bay venture studio building brands, platforms, and community-centered products.
- Set vision and operating cadence across a multi-product portfolio (mobility, faith/creators, coaching, outdoor/community, local services).
- Drive brand positioning, product scoping, beta readiness, and GTM for MotoCrew, CurbCue, Sermon Studio, CoachCore, and FishCrew.
- Coordinate design/engineering workflows and tester feedback; own strategy-through-shipping decisions as owner-operator.

### Regional Director

Jan 2015 - Present

*Stream (Stream Energy / Stream Home)*

- Independent regional leadership focused on customer growth, relationship sales, and team development for retail energy and home services.
- Built and sustained a referral- and relationship-driven customer acquisition engine over 10+ years.
- Educated households and businesses on energy and home-service options; guided enrollment and ongoing account relationships.
- Recruited, mentored, and developed associates/leaders to expand market reach; operated with high autonomy and pipeline ownership.

### United States Air Force

Veteran

*Military Service*

- U.S. Air Force Veteran. Brings mission focus, integrity, adaptability, and leadership under pressure to civilian business environments.
